

Hi folks,

In the midst of the political turmoil of recent weeks, it is funny sometimes how God keeps bringing a certain verse or word to our attention isn't it? For me, these verses from Proverbs three have been coming up in my reading and praying a number of times.

Trust in the Lord with all your heart and lean not on your own understanding; in all your ways submit to him, and he will make your paths straight.

Proverbs 3:5-6

In the midst of turmoil, financial anxiety, political instability and even divisions in the church, God calls us to trust in Him, not just a bit but a lot – with ALL of our heart. In the choices we make, the paths we choose, lean not on what we know, what experience or the world tells us, but submit to Him, His word, His guidance and leadership and our path will become clear (although not always easy!) Please know that we are praying for those of us who are concerned about the rising cost of living, the energy crisis, the economic turmoil, pensions uncertainty, mortgage payments sky rocketing, or simply not being able to afford to put food on the table. If you are in need in any way, please contact me or Tom so that we can be aware and offer assistance where possible.

With every blessing in Christ,

James
